TUITION AND OTHER FEES

The process for payment of tuition fees, IT access, Challenge Week/camp and the resource and activity charge is by way of 10 monthly instalments due on the 15th of the month from February to November inclusive. Statements are available to view on the Parent Portal on a monthly basis.

Existing bank authorities provided by parents will be deemed to extend to the current process unless written advice is given prior to the commencement of Term 1, 2020.

If the School considers that a student needs intensive English support, parents/guardians may be required to pay additional fees.

AbbSchool fees are billed separately from tuition fees.

Courses studied outside the normal School program may attract additional fees and charges.

If a student is absent from the School, fees will not be refunded in whole or in part.

If all the fees and charges are not paid when due, the School may terminate the enrolment of the student. Late payment of fees or instances where fee payments are regularly dishonoured by the parent's banker may incur an administration fee.

Tuition fees are set by the School Council and are reviewed annually.

ENTRY FEES

The following three entry fees apply to each student and are not credited towards tuition fees:

A non-refundable application fee of \$370 per student must accompany the Application for Enrolment.

A non-refundable acceptance fee of \$1,500 per student is payable to confirm acceptance in the event that the School offers a place. This payment secures a place in the specific school year and calendar year offered by the School.

A non-refundable entrance fee of \$2,000 per student is payable two years prior to entry of new students. The payment of this fee finalises the enrolment process for a student.

Please Note:

Regardless of whether the student is an Australian citizen/resident or a full fee paying overseas student, if the parents/guardians of the student reside overseas, they must pay an amount approximating the first semester's tuition fees (plus boarding fees if relevant) at least six months before commencement. This advance payment will not be refunded if the student is withdrawn in the six months prior to commencement.

WITHDRAWAL

If a student wishes to withdraw from the School, a term's notice in writing must be given to the Headmistress, otherwise 25% of the annual fees (including boarding fees where applicable) will be payable.

CHANGE IN BOARDING/DAY STATUS

Students enrolled as boarders must remain as boarders for the duration of their enrolment unless otherwise agreed in writing by the School. The allocation of places at the School depends on this commitment.

FINANCIAL PREPARATION FOR SCHOOLING COSTS

Some parents enter plans with external bodies to help them prepare for costs of private schooling in a flexible, tax effective manner. Some service plans accept responsibility for the payment of school fees which the parent member then repays over monthly instalments. This is not a recommendation but a referral only for:

- Edstart (1300 139 445),
- The Australian Scholarships Group (Sydney 02 8440 6666), or
- School Fee Finance (Sydney 1300 661 277).
