AOGU 110th Anniversary Grant Program

Application

In 2018, as part of its 110th Anniversary celebrations, the AOGU launched its 110th Anniversary Grant program. The aim of this program is to support Old Girls in meaningful endeavors to benefit the community or have a positive social impact. The Grant recognises the value that Old Girls add by being contributory members to their local and/or world-wide communities through financial assistance and raising awareness of their activities. Such activities may include, but are not limited to, contributions to national or international service work; significant creative and performing arts projects, and extraordinary sports or research projects. Each application will be judged on its merits based on community benefit and positive social impact while demonstrating the Abbotsleigh values.
