

RAISING CAPITAL BY RAISING CATTLE

WELCOME TO THE DAISY CLUB

The Daisy Club is an initiative of the Abbotsleigh Boarder Parents' Association. It was started by a group of boarder parents who were keen to find a way for boarding families to give back to Abbotsleigh.

Since its inception in 2007, with generous support of past and present Abbotsleigh families, the Daisy Club has raised more than \$100,000 for a variety of projects, with both the School and the ABPA suggesting areas requiring funding.

There are many ways that all parents and friends of the School can become involved. The Daisy Club purchases cattle, which are then run on boarders' farms. The proceeds from the sale of these cattle return to the Daisy Club. Proceeds from grain and sheep sales can also be donated.

HOW CAN I GET INVOLVED

I HAVE A FARM

Host cattle or sheep on your property

The Daisy Club pays for the purchase of the animal and the proceeds of the eventual sale of the animal are returned to the Daisy Club. In real terms, the boarder parents are donating the agistment of the animal.

The stock are:

- identified by way of special ear tag
- managed by the host in the normal course of their business
- sold by the host in their normal selling manner

OR...

Daisy Double Up

This allows day or non-farming boarder families to share ownership of a calf with an Abbotsleigh boarding family. A family contributes \$500 directly to the Daisy Club and this amount covers half the initial cost of the calf. Then, a boarding family will manage and raise the calf until it is ready to be sold.

The supporter family receives two ear tags with the Daisy Club logo that could be used as key rings, bag tags etc. A third tag is sent to the agisting boarder family to identify the calf. The boarder family will send the supporter family photos and updates of their shared calf. When the calf is sold as a weaner, the proceeds return to the Daisy Club. What a great way for city and rural families to interact.
