The Resource and Activity Fee varies by year group and includes items such as excursions, incursions, online resources, pastoral care, specific lectures or seminars and events necessary for the particular year group to undertake their studies at Abbotsleigh. Levying an annual fee avoids the need to charge Parent Accounts for multiple individual activities and resources.

The Technology Fee covers the device, warranty, insurance and specific software for Transition through to Year 6. For Years 7-12, where the student brings their own device, the fee covers device software costs and Abbotsleigh IT support.

The Challenge Week/Outdoor Education Fee covers the cost of this compulsory program. Abbotsleigh pays the fees for this program in advance, and a refund is not available if a student cannot attend.

AbbSchool Activity Fees – Where students enrol in AbbSchool extended tuition programs (eg individual music lessons), the cost of these activities will be charged to Parent Accounts each term.

Important Notes

Statements of Account – Statements of Account are published to the Parent Portal on or around the 1st of each month from February each year. You will need to register for the Parent Portal and log in each time to view your Statement. The Statements cannot be split by child or adjusted to accommodate separate payment arrangements within families.

Fees and Fee Instalments – For Transition to Year 11, fees are payable in ten monthly instalments from February to November inclusive, due on the 15th of each month. For Year 12, fees are payable in eight monthly instalments from February to September inclusive, due on the 15th of each month. A final statement for the year may be issued in December for ad hoc charges. If a student is absent from school or boarding, fees will not be refunded for that period. For students who commence or leave part way through an instalment run, an interim charge will be calculated and included on your Statement of Account. The costs of special events, tours and ad hoc purchases are billed separately and can be paid via the Abbotsleigh Parent Portal.

If a monthly instalment is not paid by the end of the month in which it is due, a late payment fee of \$40 per student will apply. If, at any time during the year, a family becomes aware that they will have difficulty paying the fees by the due date, please contact the School prior to the due date of the next instalment to discuss the circumstances.

Methods of Payment – Abbotsleigh's preferred payment method for all fees is by direct debit.

To set up a direct debit, please register online via payments.abbotsleigh.nsw.edu.au and nominate a bank account or credit card. This registration authorises Abbotsleigh to automatically deduct all fees on the Parent Account. If you elect not to set up a direct debit, payment may be made through the Parent Portal via credit card. Visa, Mastercard and Amex cards are accepted. A 1% surcharge is applied to all domestic credit card payments to cover bank fees incurred by Abbotsleigh. A higher surcharge may apply for overseas credit cards. The School does not apply a surcharge to debit card transactions. Payment may also be made via BPAY or direct deposit. Please use your reference number as printed on your Statement of Account when paying via these methods. Payments must be made within the month they are due; otherwise, a late payment fee will apply.

Discount for Fees Paid in Advance – A discount is available on Tuition and Boarding Fees when annual fees are paid in advance. Further information on the Fees in Advance Program is available on the Abbotsleigh website.

Abbotsleigh Parents' Association Voluntary Family Contribution

– Every year, the Abbotsleigh Parents' Association (APA) promotes friendship within the Abbotsleigh community through year group and whole-school events. The APA also provides opportunities for parents and staff to come together and meet others who share an interest in the School and their daughter's welfare.

The APA raises money through a number of fundraising initiatives and an annual family contribution of \$25, which is charged to Parent Accounts in February. This fee is not compulsory – should you wish not to pay it, please contact the School.

AOGU Life Subscription – Year 12 students only – All Year 12 students have an automatic right to Life Membership of the Abbotsleigh Old Girls' Union (AOGU) upon payment of a one-off joining fee. The AOGU organises reunions, events and career programs, and keeps Abbotsleigh Old Girls connected with each other and the School. The \$420 lifetime membership fee is collected on behalf of the AOGU and, for Year 12 students only, is added to your Parent Account in eight equal instalments of \$52.50 from February to September 2026. Membership of the AOGU is highly encouraged but not compulsory. Should you wish to not pay the Life Membership fee, please contact the School.

Termination of enrolment – If all fees and charges are not paid when due, the School may terminate the student's enrolment.

Withdrawal – If a student wishes to withdraw from the School, one term's notice in writing must be given to the Headmistress. For example, if a student intends to leave at the end of Term 4, notice must be provided by the end of Term 3. Otherwise, 25% of the annual Tuition Fees (including Boarding Fees where applicable) plus GST, will be payable.

Change in Boarding/Day Status – Students enrolled as Boarders must remain as boarders for the duration of their enrolment unless otherwise agreed in writing by the School.

Tax Deductible Giving – One-off or ongoing contributions may be made to the Abbotsleigh Foundation to support a range of School initiatives, including new buildings. A tax receipt is issued by the Foundation at the end of each financial year. To find out more, visit abbotsleigh.nsw.edu.au/giving/ways-to-give
