	Gog & Mon	Joyita Mukherjee	Gog & Mon is about my love of ceramics and as an artist, my interpretations of nature's vibrancy and its abundance of forms and colours. Each of our collections has been carefully and lovingly handcrafted; each piece with its own unique qualities. Whether it's the airy hardness of driftwood or the pulsating patterns of rhythm, these versatile ceramics are designed to bring thoughtful touches to every space. It started with my love of creating things and seeing them come to life and this feeling stays as I create something from nothing and draw or paint on each piece.		0422 394 954 <a href="mailto:joyita@gogandmon.com">joyita@gogandmon.com</a> <a href="http://www.gogandmon.com">www.gogandmon.com</a>
